Principal's News

Tuesday 21 May 2019

I would like to congratulate all our Year 3 and 5 students who completed NAPLAN over the last week. Their focus and perseverance while completing the assessments was commendable as they adapted to the new online format. We have one more session scheduled for students who were absent on the day of their assessment.

We have another rising sporting star at Broulee. Oliver Dyason has been selected in the NSW PSSA Basketball team to play at the Australian Championships in Bendigo next term.

We had a great morning for Walk Safely to School Day last Friday. There were a good number of students and parents who joined Mr Watts, Mrs Parker and Mrs Bourke to walk from North Broulee Beach to school, making sure they knew the road rules on the way.

This Thursday's assembly at 1.45 pm will be led by 5/6W. All families are welcome to attend.

Oliver has gained selection in the NSW PSSA Basketball team that will be competing at the National Titles in Bendigo in August.

Oliver is only the third student from our school to have achieved selection in a State team for any sport, so a wonderful achievement.

NSW PSSA has organised a raffle to help meet the costs incurred for students who are representing at the state level. If you are able to support Oliver in his sporting endeavour, you can purchase tickets from the front office.

Tickets: $ 5 each

Drawn: Monday 23 September

GREAT PRIZES ARE BEING OFFERED.

Congratulations Byron, Riley, Flynn and Jay on being selected in the Eurobodalla District Rugby Union Team.

Year 3 Kianinny and Year 5 Berry Sport and Rec Excursion notes were sent home last week. The deposits for these are both due by **Friday 7 June**.

NRMA Science and Road Safety Program

On Thursday 30 May, the NRMA will be visiting Broulee Public School to present their Science and Road Safety Program. The program involves a whole day of teaching and learning activities for students, with different programs targeting different age groups. Students will be engaged in classroom activities as well as a performance in the school hall involving experiments, discussions and role play activities to teach students about pedestrian, bicycle and vehicle safety. Parents are invited to be part of the audience during the shows which will occur for the different ages at the following times:

8:50 am Science Show for Stage 2 - Years 3 & 4
Show runs for 50 minutes.

9:50 am Science Show for Early Stage 1 & Stage 1 - Kindergarten, Year 1 & Year 2
Show runs for 40 minutes.

11:40 am Science Show for Stage 3 - Years 5 & 6
Show runs for 60 minutes.

Students are encouraged to bring their bicycle helmet along on the day to practise how to fit them correctly.

The Responsible Pet Ownership Program

The Responsible Pet Ownership Program educates children in ES1 and S1 on living safely with dogs and responsible pet ownership. The Program provides information and strategies to students to ensure the child and pet relationship is a happy and safe one.

The program will be visiting on 27 May and is free of cost.

Girls & Boys Soccer

Our girls and boys soccer teams both played Moruya PS at Captain Oldrey Park on Wednesday 8 May - both games were hard fought and came down to the wire. Unfortunately the boys went down 2-1 meaning they don't make it through to the next round. The girls game went into extra time after a nil all draw. After extra time it was still nil all, however Broulee squeezes through on a 4-0 corner count back! An amazing effort on and off the field by both teams.
