All of our new leaders have shown the trust placed in them by their peers was not unfounded, taking up their responsibilities terrifically. They have already led assemblies, been diligent with their respective jobs and set an example at the swimming carnival. We look forward to being a part of their continued efforts this year.

District swimmers

Today, 31 students will represent our school at the District Swimming Carnival. We know they will be swimming their best and representing our school well.

National Day against Bullying

Last Friday was the National Day of Action against Bullying and Violence. At Broulee PS we take a very strong stand against bullying through our wellbeing lessons, Upstanders program and cyber safety lessons in class and through the Aurora video links. Even with all the education and reinforcement we give, it is still very important to be vigilant and stay informed about what our children are doing when online or using social media.

Attached to this newsletter is a letter to parents from the Prime Minister and Minister for Education outlining some of the resources available to the community to support them in educating and protecting their children. We urge you to read it and discuss with your children how to stay safe both online and in the community.

NAPLAN Online

Our school has been selected to transition the online version of NAPLAN this year. Both years 3 and 5 will complete their assessments using the school technology. Last year's online schools reported the new form of the assessment to be smooth and user friendly for the children. NAPLAN will take place in week 3 of term 2 and the students will be given opportunities to practice online assessments before taking part in this year's assessment.

More information on the online NAPLAN can be found at: <https://nap.edu.au/online-assessment>

CPR and Anaphylaxis Training

Each year our staff participate in training to keep our students safe. Last Tuesday we received training in treating anaphylactic reactions, administering CPR and use of a defibrillator.

Arrangements for the 2018-2019 Bush Fire Season

Also attached for our new families are the 'Arrangements for the 2018-2019 Bush Fire Season' which was issued late last year.

School Swimming Carnival

Last Tuesday under very hot and windy conditions we held our school swimming carnival. Congratulations to all students who jumped in and had a go and made the day a big success. Thirty one students qualified to participate in the Eurobodalla District Swimming carnival held in Narooma today. We wish them all well.

A huge thank you to all parents who assisted on the day and to Mrs Elliott for organising the event.

Clean Up Australia Day

Broulee has been a proud supporter of Clean Up Australia Day for over 15 years. We have helped towards maintaining our school and community, keeping it free from litter. This year we will be participating in cleaning up our school and Broulee community on two separate days this year. Stage 2 will be participating after assembly on Thursday 28 February at Captain Oldrey Park and the netball courts. Stage 3 will be participating on Friday 1 March in the middle session at Broulee Beach and outside the school. Stage 1 and ES1 will be participating on Friday 1 March in the school grounds. Some items that will be essential on the day are bags to put rubbish in and gloves to protect hands.

Thank you

Cherie Enright

Scripture/Ethics

Scripture and Ethics begins tomorrow afternoon for students in Years 3 to 6. Students in Year 1 and 2 for Term 1 will only have the option of Scripture. Ethics for Year 2 will commence in Term 2 as they are currently training more Ethics teachers. Groups have now been allocated and it would be helpful if students remain in their scripture, ethics and non scripture groups until the end of Term 1. If your child wishes to change preferences then it can be arranged for Term 2.

P and C Fundraising Meeting – Thursday 28th February

We will be discussing a cake stall for Election Day and end of term disco. 3pm in the iCentre. Kids are welcome.

Community News

The Batemans Bay High School Executive and P&C have decided to postpone the fete until next year.

We would really like to thank you for your support and we look forward to hosting a fantastic community event in 2020.
