## Principal's News

Tuesday 18 June 2019

Congratulations to our Netballers, Basketballers and Touch footballers last week who all progressed to the next round of the PSSA knockouts. It's a great effort by the teams, coaches and of course the parents, who help get them to and from the games and are there to cheer them on. Your support is greatly appreciated by the students and staff.

Next week will be our school Athletics Carnival at Captain Oldrey Park. The 1500m will be run on Tuesday 25 June at 1:40pm. The Carnival will then continue on Wednesday 26 and Thursday 27 June. We are looking forward to a great day, kicking off with the March Past at 9:10am, followed by war cries and 100m events. After that the children will break into their age groups and move around the events. More detail of the events and how to become a volunteer can be found later in this Scoop.

## Interschools Snow Sports

This Skiing and snowboarding competition will be happening between 24 – 26 July. Competitors must be able to execute link turns and ride a chairlift/T-bar confidently, prior to competing in Regional Level events. Competitors must be skilled in their events, snowboard and ski at speed and complete jumps, slalom course, etc as required by the different events. Cost to participate is \$30 registration plus \$47 per event entered in. Other associated costs include lift tickets, transport to the venues and national park passes for the days there.

If you are interested in competing please contact Mr Rose by Thursday as entries need to be submitted by next week. More information about Interschools Snow Sports Championships can be found on [www.nswinterschools.com.au/about-interschools](http://www.nswinterschools.com.au/about-interschools)

## Volunteers Needed

Our school canteen does a fantastic job, providing delicious and nutritious food at lunch and recess time on a Wednesday, Thursday and Friday. Lately this job has been made a lot harder due to there being very few volunteers to help with the collation of orders, preparation of food, putting the orders together and serving on the counter.

Volunteers do not have to be there for the whole time. If you are able to spare an hour or two, or even just 30 minutes on a day the canteen is open, your support will be gratefully accepted. If you have a small bit of time, please contact the school office or drop into the canteen and find out how you can help.

This Thursday's assembly at 1.45 pm will be led by 1L. All families are welcome to attend.

## Silver Awards

Kahlei Hopkins, Macy Griffiths, Max Andrews and Edie Fletcher

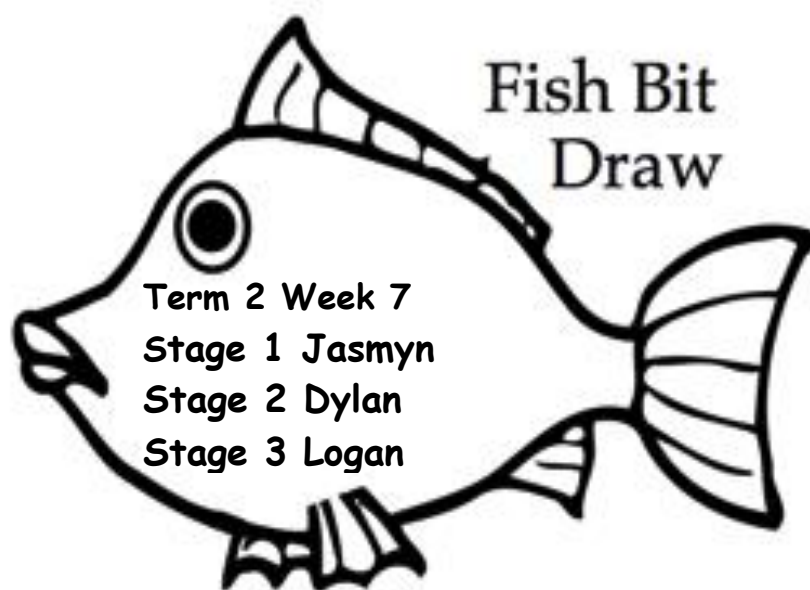

The Enviro Warriors declared 4M winners of the cleanest area. The class will now care for Enviro Ted for a week.

### **Mysterious Hats**

I am from the media group and we were given the mission to discover why a sea of green was seen bobbing around near the vegetable garden every Friday. We quickly found lots of heads under the green and our gardening group were very excited to show us their new uniform. The green hats were donated to the school by Emma our parent helper. Thanks Emma, they look great.

## **Soccer Report by Kira, Stella and Amelia**

Last Thursday the girls' soccer team played the next round of the State Knockout against Sussex Inlet. It was our home game so we played at Captain Oldrey Park and Kayden Dunne was our referee. Great job Kayden, thanks for being our referee.

It was a tough match and at the end of the game, we went down 1-0, so that ends our good run in 2019. Thanks to everyone who came along to cheer for us and a massive three cheers to Mrs Dunne and Mrs Absolon for coaching us.

## PSSA Knockout Basketball Competition

Last Tuesday the Girls and Boys Basketball Teams played their knockout games at Batemans Bay. The girls took to the court first against Milton. Marlee was dominant with rebounding while Ruby was everywhere in defence getting many intercepts. Charlie and Holly ran hard and fast to complete the fast breaks and Stella L-J played great defence stopping many goals. Stella H also rebounded well and showed us she could dribble the whole length of the court which was fantastic. Jessica shot the first goal in her first game of basketball ever so that was very exciting and Ellie played like a superstar in her first game, shooting, rebounding, intercepting and dribbling! Overall, it was a great team effort and they won 39-12.

The boys took to the court next against a skilful and determined Sunshine Bay team. Our very own state player Oli was impressive with his driving into the key and scoring baskets. Hugh, Nate and Ziggy backed him up very well with some great rebounds, passing and shooting. Max and Noah played well in defence stopping shots and getting some great rebounds. Hayden and Josh were very quick in their movement up and down the court to give options and put pressure on Sunshine Bay. They were pushed right to the end of the game but came out winners 39-31. They will play Sanctuary Point on 28 June in their second game. Good luck boys!

To finish the day our girls team played Sunshine Bay who had beaten Batemans Bay earlier in the day. It was a very tough and physical game and we were down for most of it. The girls worked hard and showed some great teamwork to edge them out in the last few minutes winning 21-18. Thank you to our cheer squad of parents! The girls will now play either Eden or Merimbula in Term 3.
