## Principal's News

Tuesday 2 July 2019

We have almost hit the half way point of the year and we have had many great successes to celebrate. On behalf of the staff I'd like to thank our students, parents and community for their support of all we do here at Broulee. From coming in to help in the classroom, to driving children to events, we appreciate all you do. There has been plenty of great learning and experiences for our students in semester 1 and there will be even more in semester 2, especially with excursions, planned class activities and our whole school production at the end of term 3.

Reports will come home with the students on Thursday. As mentioned last week, this is a great opportunity to talk to your child about their learning this semester and set some goals for the rest of the year. In last week's Scoop I wrote some questions you might want to use to start that discussion.

This afternoon the Sydney Grammar School Band played for our students. This gave many of our children a terrific opportunity to see where the current music lessons could take them and to hear so many students playing at one time. It was a great performance and we thank the band and their teachers for choosing to visit our school.

Thursday we will be holding our School's NAIDOC celebrations. Stages will be rotating through different activities on the day, with a special assembly hosted by some of our indigenous students in the afternoon. It is gearing up to be a very entertaining and insightful day. Stage 2 have jumped in early with Trisha Ellis visiting their classes today to talk to them about some of the traditional activities of the local indigenous people and share a few stories.

Friday will be the last day of this term. Unfortunately we have had to postpone our planned Bush Dance until next term. Friday will still be a Mufti Day to celebrate another wonderful term of learning.

Have a safe and relaxing school holidays and we will see students back on Tuesday, 23 July.

This Thursday's assembly at 1.45 pm will be led by some of our indigenous students. All families are welcome to attend.

Max with the enthusiastic assistance from his Mum, washed, blow dried and combed one of our chickens in preparation for showing at the Moruya Poultry Show last weekend.

Their efforts were well rewarded when our girl came away with a first and second prize.

Congratulations Max and our lovely chicken.

## ***Super Students Teach Super Sport***

G'day, welcome back to another **special interest groups report!** Today some awesome students from years 5 and 6 taught Years 1 and 2 students some super-duper awesome sporty games! We heard Lee and Boolbee's house chants and it was clear by the noise they made how much they were enjoying it.

We saw lots of different games including: chicken run, hurdles, chinese dodgeball, high jump and tunnel ball. I am sure parents this will bring back memories of your sport days at school

Stay tuned for more reports next term.
