## Principal's News

Tuesday 20 August 2019

It is an exciting week for our school dancers who will be performing this Friday and Saturday as part of the South Coast's Southern Stars production *Come Alive*. They have been rehearsing long and hard for this and although I'm sure they will be a little nervous, they will do an awesome job.

On Friday some lucky students will be travelling up to watch the show. There are a few seats left on the bus, so if you would like to see our students perform as part of this spectacular show, please contact the school office as soon as possible.

Preparations for *Broulee on the Box* are in full swing. Costumes are being put together, props and backdrops prepared and the school has been bathed in song and dance activity as classes practise their act. We have installed new lighting in the hall so that all the children will be seen and we have a spectacular performance. Our next step is to make sure all the actors and singers can be heard. We are hoping someone in our community will have some skills or knowledge in sound engineering or with microphones and are able to offer some advice with our sound system. Please contact our school office if you are able to help out or know someone who could.

This week is Book Week and to celebrate our Kinder to Year 2 students will have their dress up and parade on Friday. We look forward to the great book character costumes of our students and their teachers. Some of our Stage 3 children will also be helping the infants celebrate, reading them stories and assisting at the parade.

You may have recently heard in the news about the Department of Education revising the enrolment policy. I have included a flyer from the department explaining the tweaks to the policy and why they have made them. If you are in a school's drawing zone, your rights to enrolling in your local school have not changed. If you are unsure which school zone you are in, please refer to the Department's School Finder at the below address. If you have any queries in relation to the area you are zoned in or enrolment, please contact our school office.

## District Carnival

On Friday, August 2nd our dedicated athletes from around the Eurobodalla converged on Bill Smythe Oval at Narooma for a fantastic district carnival. The beautiful, crisp sunny day was perfect weather for our students to bring back some fantastic results in the track and field events. There were a host of outstanding performances as all of the Broulee students did us proud with their attitude and skill. Congratulations to all of our competing students with some even bringing home ribbons.

Special mention to those students qualifying for the Regional South Coast Championship to be held at the AIS in Canberra on Friday, September 13th 2019. Those qualifying for the 100m, 200m, relay and field events have been notified by Mr Hicks.

**\*1500m and 800m qualifiers will be notified of their inclusion in the event on Tuesday August 27th.**

Also a HUGE thank you to all of the wonderful parents and family who provided transport and cheering support for our athletes. We could not run an event like this without you!

## PSSA Touch Football Knockout

On Thursday 1 August a team of 7 girls travelled to Batemans Bay Public School to play in the PSSA Touch Football Knockout. The girls played extremely well against a strong Bay team going down 5 - 2. They represented the school well displaying great ball skills and determination. Thank you to the parents who assisted in transporting the team on the day.

## Girls Netball

On Wednesday 14th of August the girls' netball team travelled down to Narooma to play round 5 of the PSSA knockout. The girls played a great game of netball and won 18-8. We had lots of fun and would like to thank Miss Davidson for training us and organising the game.

By Stella and Pypar.

## Girls' Basketball

The girls' basketball team travelled to Merimbula on Friday 9th August for Round 4 of the PSSA Knockout Competition. The game was played at Merimbula Public School in extremely tough, windy conditions. Our team ran hard all game and came out victorious 30-20. Thank you to Michelle and Liza for transporting the girls and being our cheer squad. Yesterday we played Bomaderry in our round 5 game. The girls defended hard and shot some great goals to win 25-10. Thank you to all the parents for their support. We will now play Goulburn in the South Coast Final. Go Broulee!

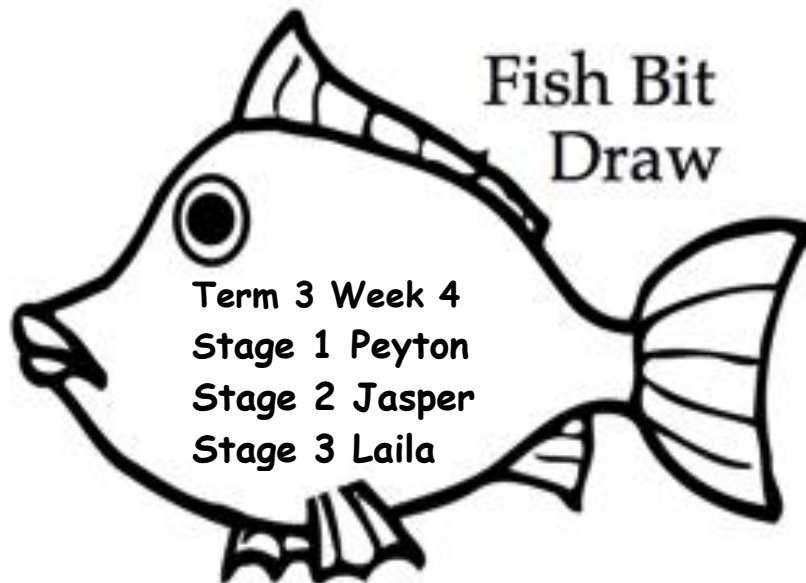

## ENVIRO TEDDY HAS EVOLVED!

Poor Mr. Enviro-Teddy was all sad and droopy last term. Do you want to know why?

Well, his throne was unstable and it broke, but us three amazing incredibly creative people have rebuilt it as part of his evolution. This evolution has made him an amazing SPACE ENVIRO-TEDDY. With his Environment Spaceship, he is now tougher, more handsome and AIRBORNE! Us three thought we should spruce up the old version. We thought why not make it a spaceship! And with the help of each other and our imaginations, we have remastered him. With a high-powered enviro-space ship!

## Thank you Bunnings Batemans Bay

As part of National Tree Week, Krystle and Grant from Bunnings Batemans Bay provided the finishing touch to the lovely planter box/seat they previously built as part of Kindergarten winning a competition at the end of last year. Our beautiful *Tristaniaopsis Laurina* has taken pride of place in the walkway towards the library. *Laurina* (as we have named it) is an attractive and compact shade tree and should grow to provide a lovely shaded seating area for all to enjoy.

A huge thank you to Bunnings Batemans Bay for their generosity and expertise, and to the Kindergarten students who worked hard to settle *Laurina* into its new home. We all look forward to watching this beautiful tree grow alongside our students.

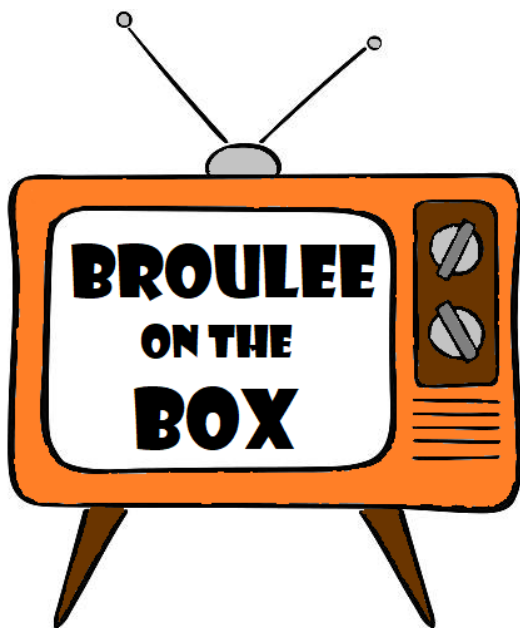

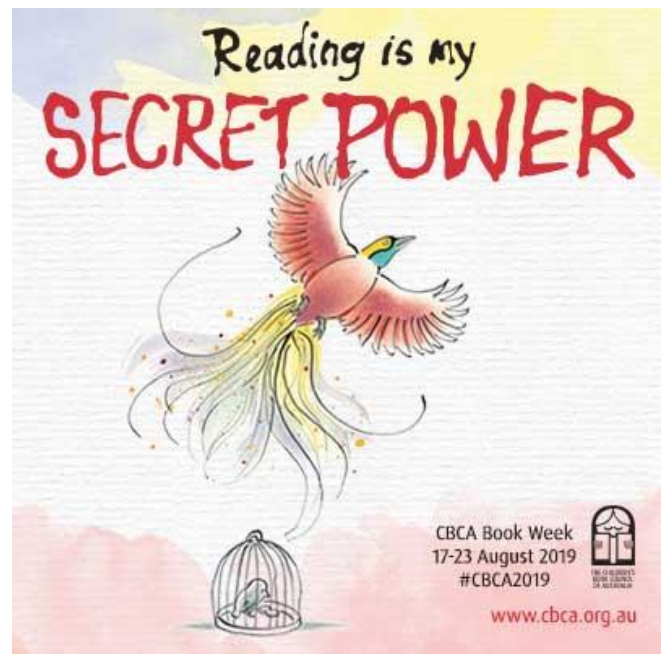

## K-2 Book Week Parade

On Friday 23 August, Kindergarten, Year 1 and Year 2 will be celebrating the end of Book Week. The theme for this year is "Reading is my Secret Power."

Students are able to dress up as a book character for a parade in the Assembly Hall commencing at 11:45 am.

Parents, carers, relatives, friends are invited to attend.

We look forward to seeing you there.

## Broulee on the Box

**Week 10, Wednesday 25 and Thursday 26 September**

Preparations are well and truly underway for this amazing event! Notes will start coming home shortly from class teachers regarding costumes and props needed for each class part in the show.

Tickets will go on sale in Week 6 - not much longer to wait! Keep checking the Scoop for more details on where and how to purchase tickets.

We hope you're all as excited as we are!

Calling all photographers! We are seeking experienced photographers who may be willing to donate some time during our upcoming school performances ***Broulee on the Box***. Please contact Mrs West or the front office if you think you may be able to help.

Broulee Public School is excited to announce that we are now a drop off point for discarded oral hygiene products - we can recycle them! Please see the information below... **you can drop off items into the box kept underneath the small table in the front office - anytime!**

### What you can recycle in this program

Program accepted waste: Toothpaste tubes and caps, toothbrushes, toothbrush and toothpaste tube outer packaging, floss containers

Please note: Electronic toothbrushes and electronic toothbrush parts are not recyclable through this program.

### Best practices for recycling

In order to recycle this waste stream properly, please make sure all excess product has been removed (i.e. leftover toothpaste or floss). Additionally, if you choose to rinse your product, please note that it must be completely dry prior to shipping. You cannot ship dripping packages.

### What happens to the waste

Once collected, the tubes and brushes are separated by composition, shredded and melted into hard plastic that can be remolded to make new recycled products.

In the interest of recycling..... We have 44 empty plastic bottles if anyone is interested. Some still have a bit of colour powder in them. Can be picked up at the front office.
