Principal's News

Tuesday 10 September 2019

Only 15 more days to the first performance of *Broulee on the Box* and the excitement is growing. Rehearsals have been increasing with classes practising coming on and off the stage for their acts and our big finale. I had the opportunity to watch some of our lead actors running their lines last week and I was impressed with the quality of their performances. Stay tuned for notes and messages from your child's class as we launch into our final preparations for the big event.

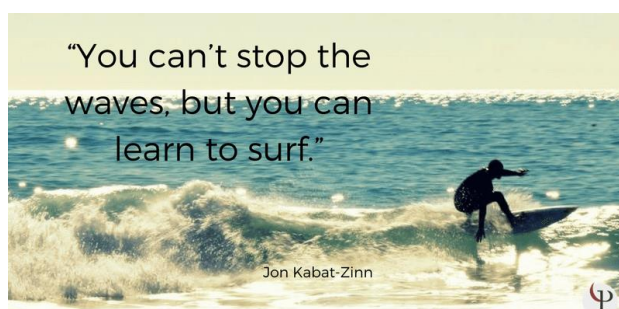

Congratulations to our Aussie Rules and basketball teams on their performances this year. Unfortunately they were all knocked out of the PSSA competitions last week but they should be very proud of their efforts to get as far as they have. A big thank you to all the parents who supported the teams and provided transport during their campaign. Thank you also to Mrs Jones and Mr Enright for their organisation and expert coaching. We still have one team in the PSSA knockout competitions - our girl's netball team are waiting on results from other schools to find their next opponent.

Thank you to those people who are ensuring their children enter and exit the school in the correct manner. As mentioned in last week's Scoop, keeping them out of the school carpark and walking their bikes once in school are important safety messages. We appreciate your support in this.

It has been noticeable how many students have not been wearing our red school hoodie lately. We also have a growing number of hoodies in the lost property boxes. If your child is missing their red school hoodie, please have them check the lost property for it so they can be **in school uniform every day**.

Thought for the week:

With the upcoming *Broulee on the Box*, I thought this quote about dealing with any nerves children might have about performing was both geographic and time appropriate. Bring on the rehearsals.

This Thursday's assembly at 1.40 pm will be led by 2S. All families are welcome to attend.

Principal

Broulee on the Box – Details for Parents/Carers

Below is important information regarding the process for the Wednesday and Thursday evening performances

On the night of your child's performance (It is expected that your child attends the evening performances for their night)

- 5:20-5:40pm: students to be taken to their classroom. Parents please see the teacher and sign your child in.
- If your child is in the choir, he/she needs to be signed in at their own classroom. They then go to Mrs Fairweather and Miss Mulcahy in the iCentre to get ready for the opening number. After the choir has performed, they will go to their own classroom and remain there for the rest of the performance.
- Students need to remain in the classroom with their teacher throughout the entire performance, except for when they are on stage.
- At the expected completion of the concert, approximately 7:50 – 8:00 pm, the time to be more accurately given next week: Students are to be picked up from their classroom. Students are not to be picked up from the hall. Parents please see the teacher and sign your child out.
- If you wish someone else to collect your child at the end of the night, please advise the office prior to the concert.
- If you are not attending the night time performance, your child is still needed for the performance. If this is not possible, please contact your child's teacher.

We look forward to having all students attend the concert for their night and to see you all enjoy one of the performances.

There are still tickets available for the show. You may now purchase extra tickets for your family from the ticketing website, why not invite some relatives to the matinee?

Next week Stages 2 and 3 will participate in free cricket gala days at Captain Oldrey Park. The Stage 2 Gala Day is on Monday 16 September and the Stage 3 Gala Day is on Tuesday 17 September. Both days start at 11:40am and go through until the end of the day. Students should wear sports uniform and a wide-brimmed hat on their designated day. They should also wear sunscreen and bring a refillable drink bottle. These days are highly inclusive with

all students involved the whole time and students have really enjoyed them in the past. If you have any questions, please see your child's teacher.

Enviro-Ted will spend the week in 2F this week after their allocated area was judged the cleanest by the Enviro-Warriors. Great Work 2F!

Broulee PS Father's Day Breakfast

What a great Father's Day Breakfast morning it turned out to be. There were lots of smiling children proudly attending the breakfast with their dad and/or grandad. All the helpers preparing and serving and also the lads on the BBQ's did a great job feeding a big crowd. The Moruya High School Prefects deserve big thanks for their volunteering. A large amount of the food and materials were donated by local businesses or supplied at cost to help make it a great breakfast. Thanks to IGA, Tilba Milk, Les Gourmandises, Funnells Meats, Broulee Supermarket, Woolies Moruya and Clyde River Berry Farm for their support.

Check out the photos below to see if there is one of you.
