Principal's News

Tuesday 17 November 2020

How wonderful it was to watch the learning our classes undertook in celebrating NAIDOC Week last week. If you have not had the opportunity, check out the great things classes did on our two part Assembly, which you can find on our Broulee Public School Facebook page.

COVID Restrictions

Earlier this term the Department of Education relaxed some restrictions around COVID-19. While this will mean we are now able to do some activities that we couldn't before, some of the safety measures are still in place. Please remember:

- Parents and community are not allowed in school grounds unless for educational purposes. If your child has forgotten something, such as a lunch, hat, lunch order or news item, parents **must** report to the office, they cannot just take it to the classroom or canteen.
- If your child is absent due to being sick with cold or flu like symptoms (runny nose, cough, sneeze, sore throat) they cannot return to school until they have a negative result in a COVID Test. This is a Department of Education policy that applies to staff as well.

Regrow Project

Today classes started repotting the tube stock plants donated to us by Convoy of Hope, which we will be putting back into the community as part of the bushfire Regrow Project. Thank you to those who have sent in pots to help with the transplanting. The students had a great time today repotting with Kevin from Convoy of Hope and Von from the DPI Rural Recovery Support Service. We intend to have a plant stall day where people from the community can come and collect plants on Wednesday morning 2 December from our back fence along Captain Oldrey Oval.

Kinder 2021

Our second group of 2021 Kinder children had their first orientation session today with their Buddies. Both last week's group and today's will have one more session in the next 2 weeks. We are still taking enrolments for 2021 kinders. If you know of anyone in our zone considering enrolling in Kindergarten next year, please have them contact our office so they can be included in our orientation program.

Hockey Skills Day

Tomorrow all students from Years 2 to 4 will participate in a hockey skills session from 9-11am on Captain Oldrey Park. The session is being run by Hockey NSW who will supply all the equipment children will need. It will be a fun filled morning for the children. Please ensure your child has a hat and drink bottle so they can get the most out of the session.

Book Fair

Thank you to Mrs Parker who has coordinated our Book Fair which finishes today. If the stock of books your child bought had been exhausted, we will order extras in and distribute them once they arrive. Thank you for your cooperation with purchasing the books online in this very different year.

This Thursday's virtual assembly will be led by 4W.

Eurobodalla Shire Council Calendar Art Competition Winners

Congratulations to Freya and Memphis who have been named winners in the Eurobodalla Shire Council Calendar Art Competition. Their artwork will appear on the 2021 calendar and they have also received a \$15 book voucher. A copy of the calendar will go home to all families during this term.

Reminder – No Swim School This Year

Unfortunately due to COVID restrictions this year our Intensive Swim School cannot take place.

It may be planned for early in 2021. We will let you know as soon as we do.

Meanwhile do what you can to have your child confident in the water over the summer.

Safety is the key!

Regards

Julie Frost

Presentation Day

Plans are underway for a revised Presentation Day ceremony.

It is to be held on Thursday December 10. Under the very latest guidelines we can invite a small number of people.

We will be inviting 2 to 3 people per family of students who are receiving an award. They are the only people who will be invited along with members of the captains' families.

The ceremony will be conducted under strict COVID safety guidelines.

The office will be phoning with the details next week.

Unfortunately only those invited by the office can attend but I am excited to be able to do even this much!

There will be four separate assemblies running from 9 am until 12:30 pm to allow for the small number of family guests.

Regards

Julie Frost
