## Principal's News

Tuesday 25 February 2020

### District Swimmers

Today, 31 students represented our school at the District swimming carnival in Narooma. Thank you to all the parents who helped with transporting the children to the carnival and cheering on the Broulee Swimmers. A big thanks and well done to Mrs Elliott who organised both our school carnival last week and today's carnival for the district.

### NAPLAN

NAPLAN will take place this year in weeks 3 and 4 of term 2 and will be online for our students (Year 3 will complete the pen and paper version of the writing assessment). Prior to the testing period our students will be given opportunities to practice the online assessment format.

If you would like more information about the online NAPLAN testing, it can be found at:

<https://nap.edu.au/online-assessment>

If you believe that your child will require an adjustment to participate in the assessments or if you wish to withdraw your child from the assessments, please discuss this with your child's teacher so that the necessary forms can be completed.

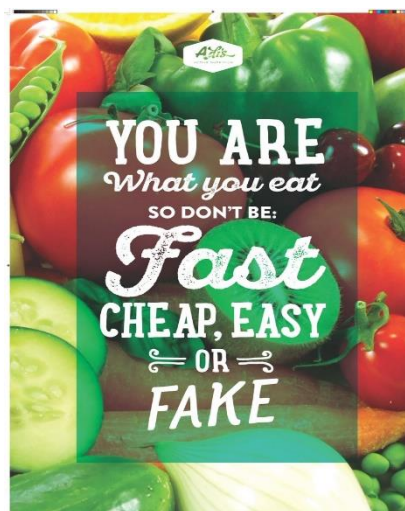

### Check it out

Check out our School's new Facebook page. <https://www.facebook.com/BrouleePS>

Here we will post information about the many great things we do at our school and keep you informed of important events. It supplements our School App that all important notices and notes are pushed out on. If you haven't downloaded our School App already, you really should!

### Thought for the week

With the big Vegie Crunch coming up I thought this quote is a great one to remember when packing the lunch boxes.

This Thursday's assembly at 1:40 pm will be led by 5/6E. All families are welcome to attend.

## Broulee Public Swimming Carnival

## **Get ready for The Big Vegie Crunch!**

On **Thursday 5 March at 10 am** our school will be joining hundreds of schools across NSW to break the record for the most students crunching vegetables simultaneously.

But we need your help to make it a success!

On Thursday 5 March, please pack your child a container of vegetables for them to crunch on.

Need some ideas?

- carrot, celery, cucumber - cut into sticks or left whole
- capsicum - cut into sticks or wedges
- corn - raw baby corn spears or a cooked corn cob
- broccoli or cauliflower florets - raw or lightly cooked to keep their crunch
- tomatoes - small cherry tomatoes or a large tomato that can be eaten like an apple
- beans or snow peas - raw or lightly cooked to keep their crunch
- mushrooms - sliced or left whole
