Principal's News

Tuesday 9 June 2020

We hope everyone has had a restful long weekend and are refreshed for the last 4 weeks of Term 2.

Playground equipment

The play equipment will soon be back in action and I'm sure there are some very eager students waiting to play on it again. During the Learning from Home period, we started work on replacing the edging around the school play equipment and refreshing the soft fall. Next steps are to spread the remaining soft fall and touch up some of the paintwork on the equipment railings to give the play equipment a fresh new look.

Semester 1 Reports

Student Semester 1 reports will be issued in Week 10 (the last week of Term 2) before the holidays. This year with the changes in learning that have taken place due to the COVID-19 restrictions, the Department of Education has released a different reporting format. Semester 1 reports will not include the A-E scale for achievement. They will include comments that will reflect individual student progress and achievement of the learning provided both at school and at home. If you have any questions please call the school.

Are you OK?

With everything we have endured this year and with some things returning to a more "normal" over the weekend, I think it is an important time to check in on our community, neighbours and family to make sure everyone is ok.

At Broulee PS we are very aware that many of our community are still recovering from the impact of the fires and now COVID. If you or your children are having difficulty in any way, please contact the school for assistance. I have included some important websites and phone numbers that may also be of assistance.

P&C News

P&C Zoom Meeting - Thursday 18 June at 7pm

The P&C are inviting anyone from the school community to participate in the next meeting. Due to the COVID-19 circumstances, we will be holding the catch up via a zoom meeting. This will be an opportunity for everyone to get an update of many positive P&C related matters. People are also welcome to bring ideas that they may like to share and talk about with other parents and carers who are keen to support Matt and the staff whilst helping our children.

Under normal circumstances we would not require an RSVP for a P&C meeting, however the P&C President will be the 'host' of the Zoom meeting and will need advance notice of who would like to participate. Please email Courtney on courtneyfink1982@gmail.com by Tuesday 16 June.

Thank you
P&C
