Principal's News

Tuesday 11 August 2020

What a great Education Week we had last week. Although we were not able to celebrate it in our usual way, it was terrific to recognise those exemplifying our values from each class and to see the virtual tours of the classrooms.

Broulee Public continues to be a safe environment for your children to attend. This week we will be increasing our already comprehensive hygiene routines in class and around the school. Students sanitise and wash hands regularly in class and we are continuing our social distancing procedures.

We regularly remind our students to use their own equipment (pens, pencils, etc). Now would be a good time to check in with your child to see if any of these items are in need of replacement as over the course of the year they do tend to be used up.

New Enrolment Process

We are excited to announce we have rolled out the new Online Enrolment System from Monday, 10 August 2020.

The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from the front office or can be downloaded from the Department's [going to a public school site](#).

Further information about online enrolment can be found on our website [here](#).

Reminder: All Year 6 students should have returned their Year 7 enrolment forms to their chosen high school. If you are unsure if you have returned your form, please contact your selected high school to confirm your enrolment.

Student Newsletter

Mr Enright and his media special interest group have been putting together a newsletter about all the great things going on at our school. **Broulee Bizzness** has been added to this newsletter and will also be sent out on our School App for you to enjoy.

Partners In Learning Survey

This term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The

survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted over Term 3 and early Term 4. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au> .

To access the survey for our school go to: <http://nsw.tellthemfromme.com/BrouleePS2020>

Kindergarten Home Reading Program

Attention Kindergarten Parents and Carers,

We will be holding a Zoom meeting on Tuesday 18th August at 4 pm to answer any questions you have about our Kindergarten Home Reading Program. Please click on the link below to join us for an informal Q&A session at the time stated above. We look forward to seeing you. Please join us if you are able.

Thank you, Clare Dunn and Cathy West

Clare Dunn is inviting you to a scheduled Zoom meeting.

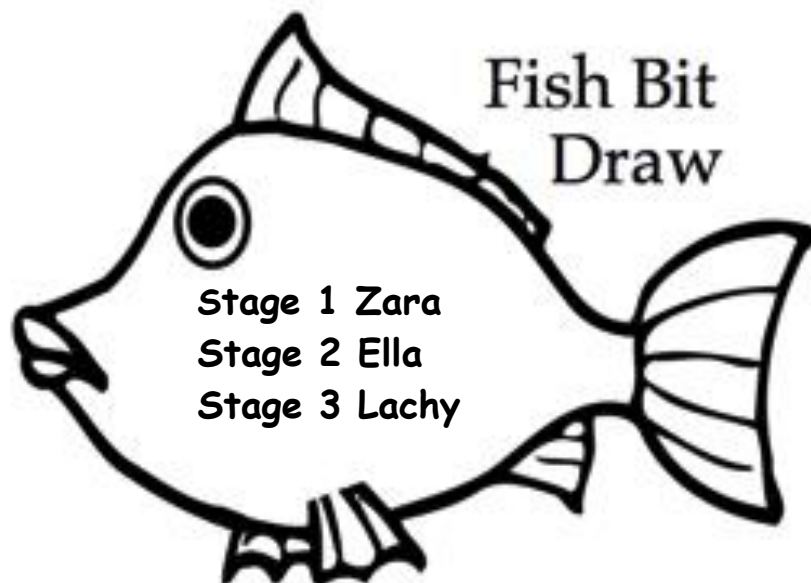

Topic: Kindergarten Home Reading Q&A

Time: Aug 18, 2020 04:00 PM Canberra, Melbourne, Sydney

Broulee Bizzness!

On Fridays each student in Years 3-6 participates in our Special Interests Groups initiative. Students get to explore an interest that they have and expand their skills in order to add greater variety, flexibility and enjoyment to their education. My group is called Broulee Bizzness and every two -three weeks we create a newsletter that is written by kids, for the kids. This term we thought that we would attach our creation to the end of the Scoop to expand our readership. We hope you enjoy this edition!

Thanks,
Mr E

Covid-19 @ School by Isaac+Ede

We all know covid-19 has affected bps big time, from early March to mid May lots of crazy sad annoying and weird things have been happening at school in this news report I will be telling you about home school experiences BIG changes in the school and what's happened.

Normal things were happening this year for bps there were handball matches, interest groups fates, full and buzzing classrooms! but sadly it was all cancelled and most kids did online learning. Here is an interview with Ede who did online learning. Q: Was it hard to stay on task A: yes it was quite distrating with my dog Q: What did you like about online learning A: I really liked how you could show the class your'e pet on zoom Q: What did you dislike about online learning A: you had chores entwined with work and you would know that you can't stay up late. Thank you for reading this story. By Isaac and Ede.

Teddy bear picnic

Each year there the Kindys have a Teddy Bear week at school. They bring in one of their teddies and do lots of fun activities. On the Friday of the first week back at school some of the Year Fives and the Year Sixes set up games for the Kindys and their teddies to play. Normally they also have a picnic, but we couldn't do it this year because of Covid-19.

There were activities including: teddy bear scavenger hunt, mini soccer, photo booth, disco, car racing and much more. The year six and some year five students got tiny teddies as a reward for creating a fun morning for the Kindys. We all enjoyed spending time with the Kindys and their teddies! Here are some photos of the event!

Green Team

Students at Broulee Public School are proud of our school environment. Our extraordinary reporters interviewed Elijah from the Green Team who are improving the gardens at Broulee Public School as part of their Special Interests group work. Here is what he had to say!

1. What are you doing to look after the gardens? We are weeding the gardens and planting food.
2. Are you planting anything new? Not at the moment we are tidying up our gardens.
3. What areas of the school are you working in? Basically anywhere that has a garden, like the Fairy Garden.
4. Do you like looking after the environment? Why? Yes we do like it because if there's no plants, there's no humans.
5. Are you growing any food? What kind? Yes broccoli, carrots and spinach.
6. When you're older, do you want to continue to help nature? How? Yes and but I have no idea how.....

Athletics Carnival 2020

On Wednesday 1st of July we had our school athletics carnival at the back of Captain Oldrey Park. The weather was nice and clear but unfortunately there aren't District, Regional or State carnivals because of covid 19. But still we had all the events except 1500m, there was ribbons and age champions also everyone had heaps of fun. Here are the events 100m, 200m, 800m, Shot Put, Discus, Long Jump, Relays, Ball games and High Jump. We want to thank Mr Hicks for organising the athletics carnival and we also want to thank Mrs Morgan and Miss Mulcahy too for their behind the scenes work.

Here is a photo of our age champions.

By Brendon, Tayla and Lucas

What's happening in year 2????

Highly skilled journalists from Broulee Public School have interviewed Poppy Mitchell from class 2F. We asked her about what Year 2 has been up to so far this semester and this is what she said!

1. What type of work has your class been doing in English? Writing and colouring.
2. What type of work has your class been doing in Maths? Work sheets!
3. How have you been keeping healthy? Washing hands.
4. What skills have you learned in sport? Handball, basketball and high jump.
5. Is it good to be back at school? Why/Why not? Yes because I get to see my friends!
6. Who's your favorite teacher? Mrs. Frost.
7. Do you like home learning or at school best? School learning
