Principal's News

Tuesday 15 September 2020

Last Thursday was R U OK? Day. I hope someone checked in with you to ask R U OK? It has been a challenging year and I know we have all needed an opportunity to vent or just connect with someone else at some point over this time. It is important to remember, although Thursday was the national day, asking R U OK can happen at any time and, even more importantly, it's ok to answer "No".

There are some great ideas and resources on the R U OK website for starting the conversation and to help. (<https://www.ruok.org.au/>)

School Photos

I know we are all excited about school photos next Monday. Please make sure you have returned your child's envelope. Students will have their class photo taken followed by their individual photos. All children will be having their photos taken whether they are purchasing the photos or not, so please make sure they are in their school uniform on the day. Kindergarten students are not to wear sports uniform on this day.

Sports captains need to bring their sports uniform as well for our house captain photos.

Mural

We are getting closer to all students having played their part in contributing to our mural in front of the school. By the end of term all students will have had a chance to paint on the wall. It is looking great, reflecting much of our local fauna and flora and some significant local landmarks (have you spotted Broulee Island yet?). This is a form of art therapy our school is doing and many of our students who have had a chance to paint have commented on how relaxing and calming it has been.

If you have not been past the front of the school recently it is worth a walk past!

Cross Country

Our school cross country is on next Wednesday. Students from Years 3 to 6 will be involved in the school. Children will be running in their age group and we will be keeping cohorts groups separated. Unfortunately parents are not allowed to attend the event due to COVID-19 restrictions.

This Thursday's virtual assembly will be led by KD.

Fruit & Veg Month 2020

The Fruit and Vegetable Month Poster

Competition ends on **Friday** so make sure your entry reaches Mrs Dunn in Kindy by 3 pm on Friday 18th! Thank you to everyone who has already entered, some of the artwork is amazing.

Enjoy seeing some of the Fruit and Vegetable activities that have been taking place around the school in the assembly this week.

Thank you for the donations of tiles so far. We would still love more green and any coloured tiles if you have any. Please contact the school office if you have any to spare. We have almost finished a beautiful bee and will be starting on some birds and some more vegetables this week. Pop over to the back door of the Kindy class on Thursday during lunch or recess if you would like to help out. No experience necessary.
