Principal's News

Tuesday 22 September 2020

This Friday marks the end of Term 3 and reaching $\frac{3}{4}$ of the way through the school year. It has been terrific to have the students here for the full term for the first time this year. I know the students and staff have certainly appreciated the return to "normal" school this term. It has been a big term of learning so please make sure you get a chance to rest up over the 2 week break, ready for a fantastic last term for the year.

It was so wonderful to see all the students looking very smart in their uniforms yesterday for the school photos. Everyone should be congratulated not only on their uniforms, but the way they conducted themselves during the photos, keeping themselves neat and tidy and helping to ensure the time to take the photos was kept to a minimum.

School Cross Country

We are looking forward to Wednesday's primary cross country. Students will be running around the school and Captain Oldrey Oval in their age categories. Please ensure your child has their drink bottle and hat with them on the day.

Years 1 and 2 will be running their cross country around the school on Thursday.

Unfortunately, parents are not able to be a part of our carnival due to the current restrictions.

Term 4 activities

Several of our usual Term 4 activities are still able to go ahead next term, although some of them may look a little different to what they have in the past. COVID-19 restrictions have put a hold to so many things this year but we are determined to do as many of our normal Term 4 activities as possible.

Planning for the exciting Broulee's Got Talent is well underway with a little twist to the auditions. Make sure you read the information about it later in this Scoop. We are also looking forward to a change in our Walkathon early in Term 4. We won't be doing it as a fundraiser this year - rather as a FUN raiser instead.

2021 Kinder Orientations are currently on hold as they are unable to come into the school at the moment. We are making and planning videos to help our newest students know their school, buddies and teachers and we will contact those families as more information becomes available.

We are progressing with the Year 6 excursion plans and hoping that restrictions will be lifted so that the children can enjoy their time at Berry Sport and Recreation Centre.

Presentation Day under current restrictions will look different this year and we are in the planning for how we can share this great recognition of student learning with our community. The same thought processes are being applied to planning for Year 6 graduation celebrations and the rules for those will be released to schools next term.

One thing we can be sure of is that the students and staff will be looking forward to a great term of learning and finishing off the year strongly.

This Thursday's virtual assembly will be led by 1/2E.

Matthew Rose
Principal

Upcoming events:

- Wed 23 Sept - Broulee PS Cross Country - Years 3 - 6
- Wed 23 Sept - Kindergarten Local Excursion
- Fri 25 Sept - Last day of Term 3 (Mufti Day)
- Mon 12 Oct - Staff and Students return
- Tue 20 Oct - Book Week Dress-Up Day
- Mon 26 - Fri 30 Oct - Year 6 Berry Camp

Fruit and Vegetable Month Poster Competition

Thank you for all of the amazing entries in our poster competition. After careful consideration, 12 entries from each Stage level have been selected to be displayed in the COLA on Tuesday ready for voting by the students. The winners of the 'student's choice' will be announced at assembly this week.

Here is a small glimpse of some of the amazing artworks.

Book Week Dress-Up Day for the Whole School

Book Week will be celebrated from October 17-23 this year.

On **Tuesday October**

20 we hope all students will come to school dressed as a book character to enjoy a fun day centred around the importance and joys of reading. We are unable to hold our usual K-2 Book Week Parade but we will share lots of photos and videos. We hope you have fun planning your costumes over the holidays. Keep reading everyone! 📖

Broulee's Got Talent

Broulee Public School's annual talent show will be on again in Term 4. It is open to all students in Years 1-6. This year **all acts are to be submitted by video** due to current restrictions around audiences, group events, etc.

Students can either video and edit their movie at home or we will work with them at school to help video it. This way

every student who wants to showcase their talent gets the opportunity to do so. Acts will then be watched by the students and staff judges and a final compilation video put together for all the students to watch.

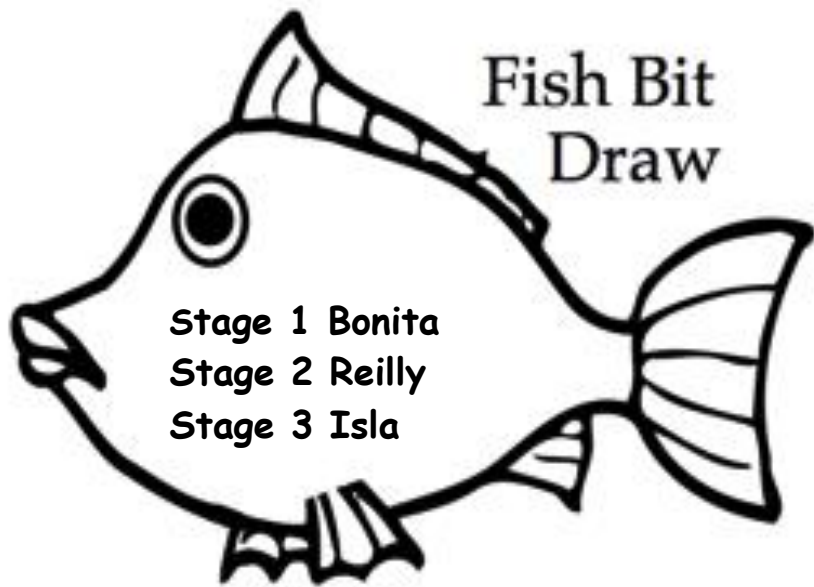

Acts can be a maximum of ninety seconds long, with the exception of drama skits which can be three minutes. Acts can include but are not limited to singing, dancing, gymnastics, sports skills, magic, comedy, fact sharing, drawing, art, musical instruments. If you have a talent or skill that is entertaining, please share it with us. Year Six students will have the opportunity to work with teachers to organise, create and host the event. More details will come next term and if you have any questions, students can see Mrs Jones at school or email her: anne.jones19@det.nsw.edu.au. Happy practising!

A Wonderful Donation from an Unexpected Source

Last week we took ownership of an electronic keyboard along with its stand, a seat and a pair of fantastic speakers, with storage cases.

This was a sizeable donation from The Willoughby Symphony Choir, Sydney. Our thanks also go to Mrs Helen Hughes, our school patron, who initially had a hand in organising this donation.

The equipment was delivered personally, from Sydney by one of the choir members and her husband, who drove it down, their car completely loaded, on Tuesday.

It is a very generous donation, made even more so by having it personally delivered.

A letter of thanks will be sent to Willoughby Community Choir.

It will be well used here at Broulee PS and personally I can't wait to try it out!

Mrs Frost
